Please note: Discounted tickets for students, senior citizens, people with disabilities, and people with military status cannot be bought online, as the corresponding verification is only possible at the box office. We recommend students, senior citizens, people with disabilities, and people with military status not to buy but only reserve tickets to the full price. We will happily give the reduction when you verify your status at the box office while picking up your ticket reservation. Online tickets can be canceled online up to 30 minutes before the start of the screening (the link is included in the purchase confirmation email).
